Phishing

An electronic message of some sort that tricks you into giving away personal information that you wish you'd kept to yourself

Phishing

An email or IM that tricks you into saying something you wish you hadn't 77

Subject: Account Review Team

From: "PayPal" <member445@...com>

Please take a minute to read this urgent notification sent by our Account Review Team.

Our security system has blocked unusual charges to a credit card linked to your account.

An intrusion into your account has been detected which shows that someone tried to access your PayPal account without your permission. we have limited access to your account due to this problem.

Thanks for your high attention. Please do understand that this is a security measure taken with intention to protect you and account.

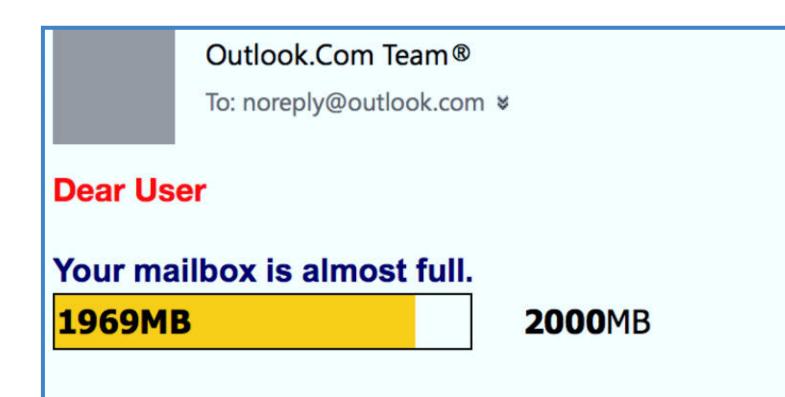

I back myself to spot phishing emails, assuming they get through the spam filter in the first place ??

I back myself to spot phishing emails, assuming they aren't the sort of thing I'd usually expect ??

Your online statement is ready

I back myself to spot phishing emails, but SMSes aren't emails and they arrive on my phone ??

Swatch Group Job Application

Greetings,

We would like to present you a part-time job offer as a finance officer for our company, Swatch Group. Our company sells deluxe watches in Europe and in some areas in United States. We would like to extend our business in your region, that is why this part-time job was created.

Processing a payment involves the following:

1. Receive the payment from our customers by Bank Transfers.

- 2. Pick up the payment from your account and keep your 10% commission.
- 3. Send the rest of the money to one of our headquarters in Europe.

This job will require about 1-2 hours per day from your time and your incomes will start from 250-300 USD per week to 500USD per week.

If you are interested in our offer please visit our website by clicking on the following link:
