# The World is Changing

Prepare for the future today

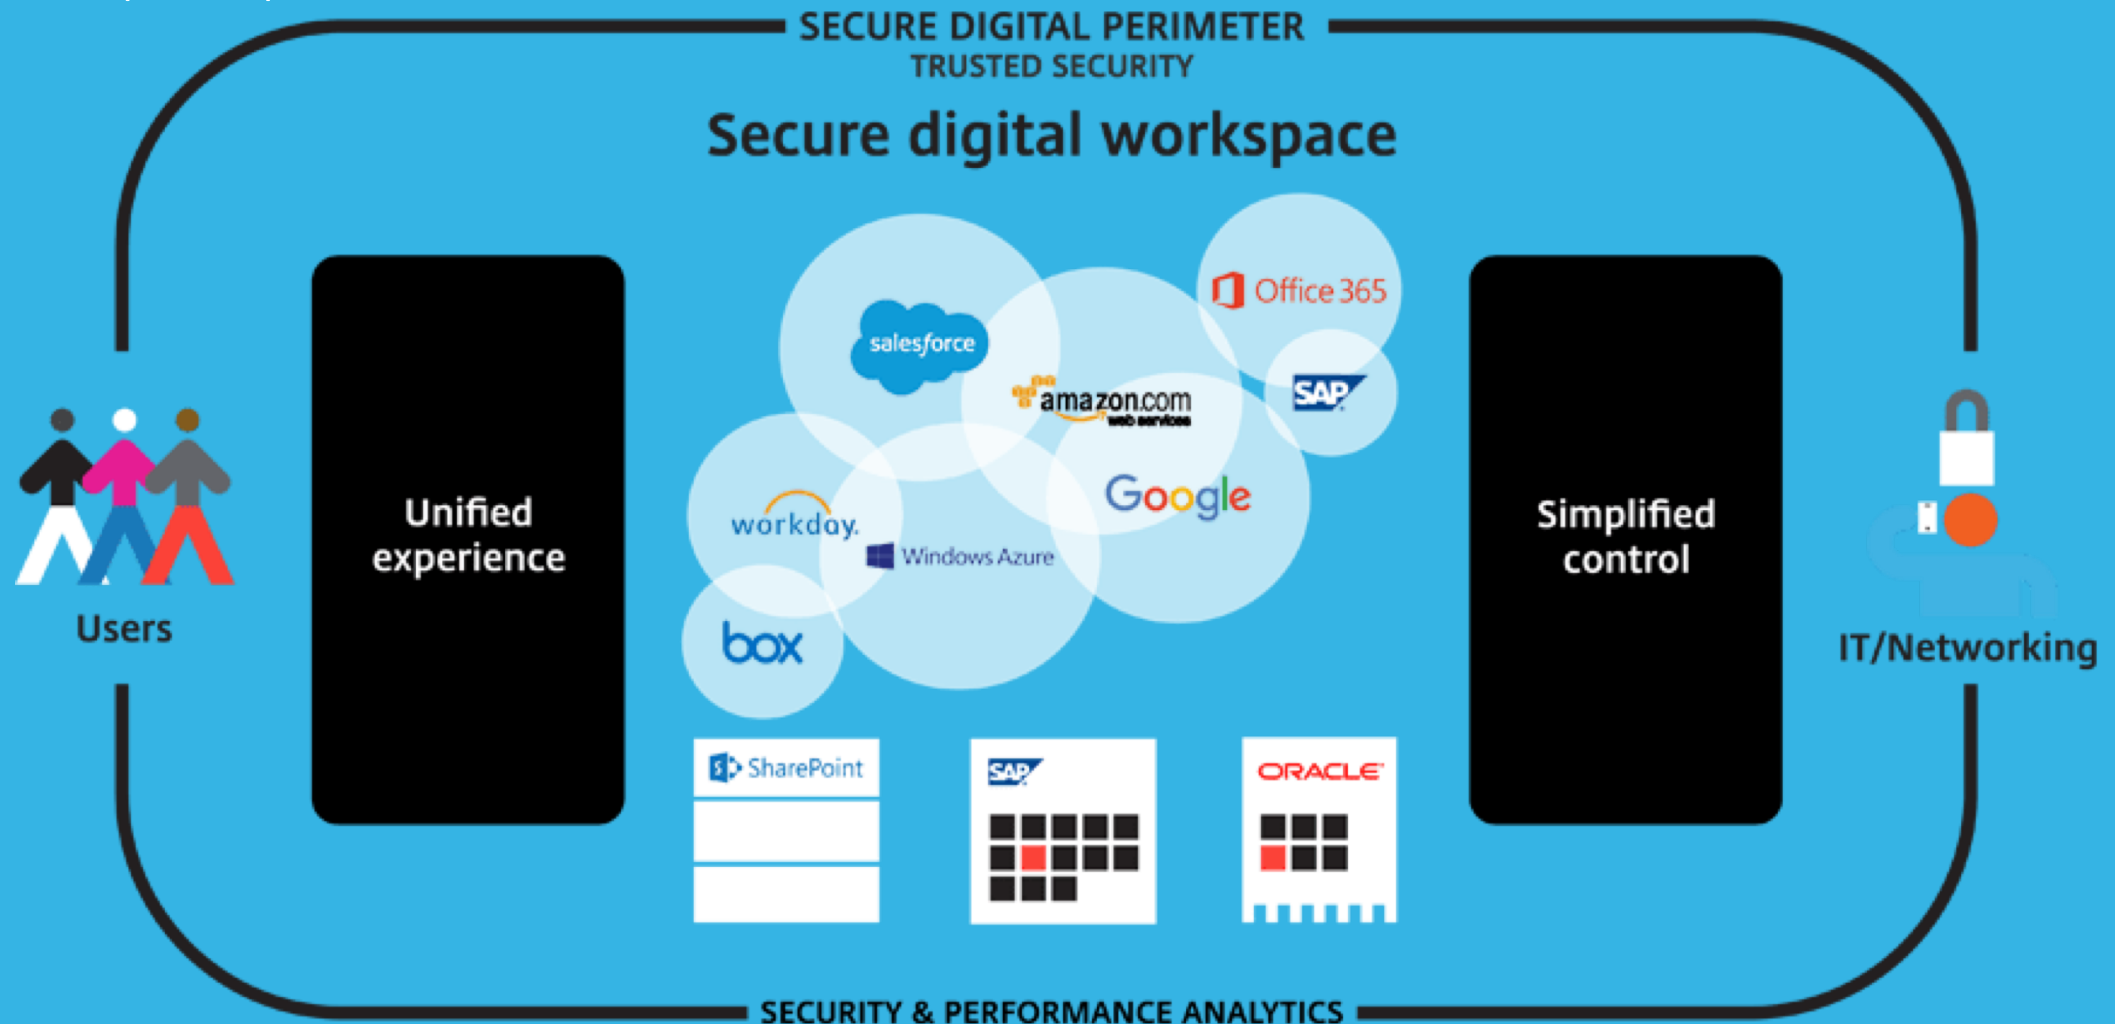

1 View into how vs. where I worked from in 2017 thanks to my Citrix  
powered Secure Digital Workspace -

<https://twitter.com/lyndonjonmartin/status/949316537021812736>

*In 2018 I will release a similar video into how vs. where I worked from in  
2018 across my entire Citrix enabled Secure Digital Workspace*

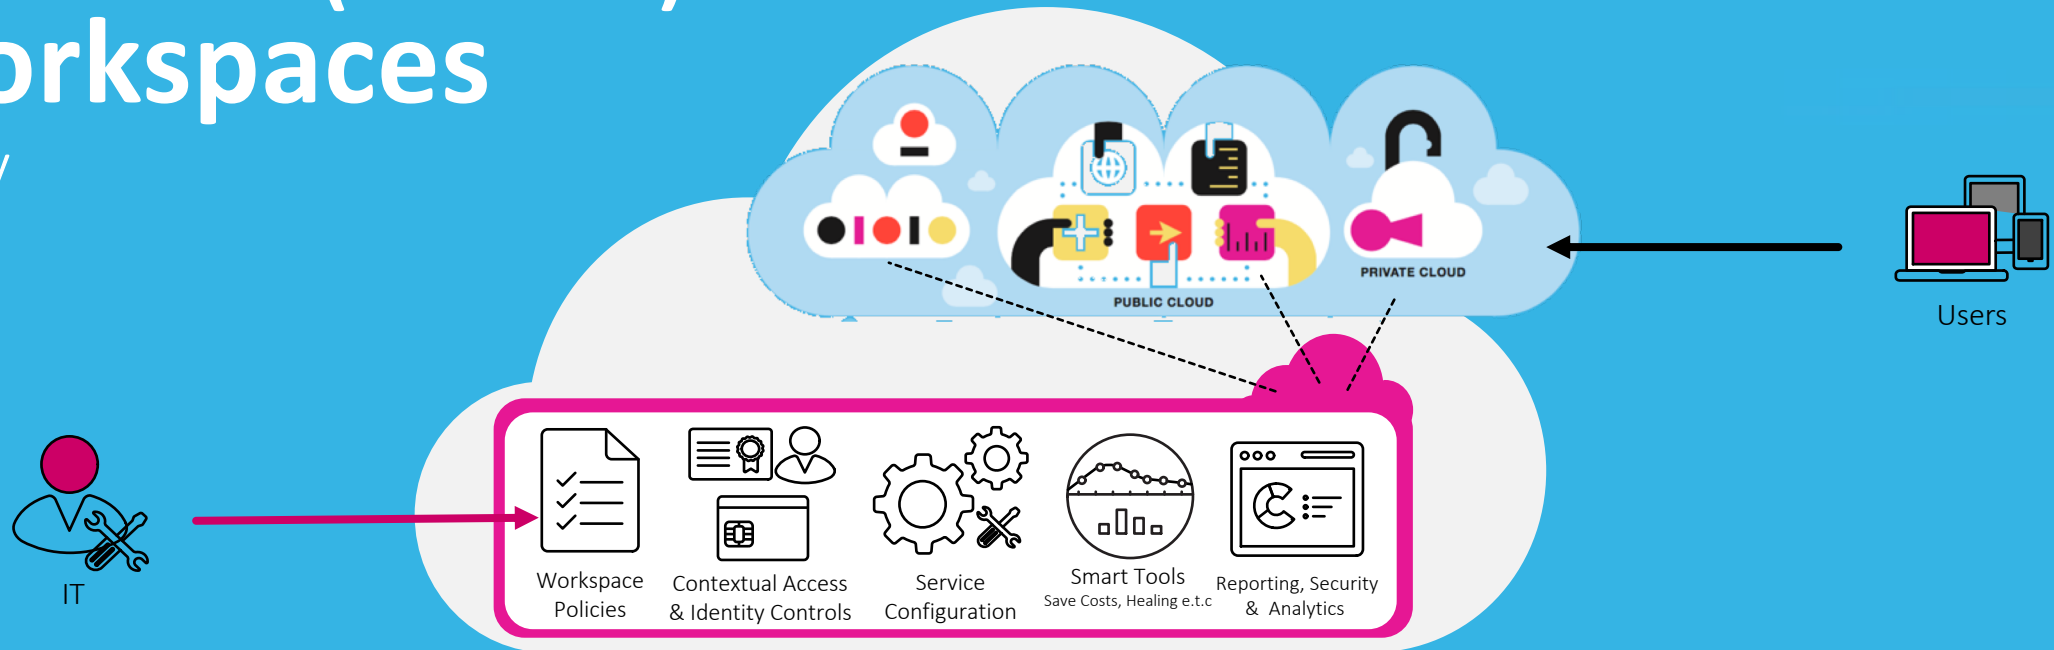

# Shift Towards A Unified

Digital Workspace Experience

# Traditional (Current) Workspaces

Delivery

## Org Impact

- Complexity
- Risk
- Inefficiency

## People Impact

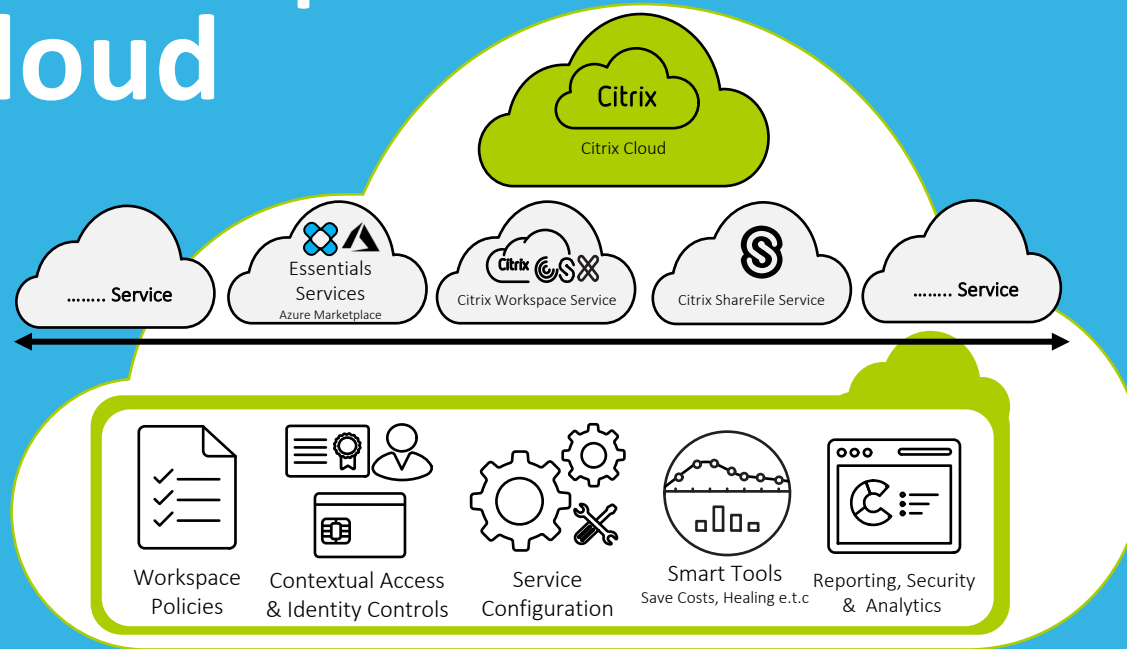

- Flexibility
- Experience
- Productivity

# Secure Digital Workspaces by Citrix Cloud

IT

IT now becomes the enabler

Users

Consume on-demand from anywhere

## Org Impact

- ✓ Complexity
- ✓ Risk
- ✓ Inefficiency

## People Impact

- ✓ Flexibility
- ✓ Experience
- ✓ Productivity

Citrix Networking by  
**NetScaler**  
Appliance vs. Service

# Harness the business-boosting power of the latest digital innovations in insurance
